

# HOLY MOTHER

By Bishop Ralph Napierski

# **The Holy Mother is here on earth now**

**to give birth to Christ Consciousness  
that we become part of the new mankind**

The development of mankind is evolving faster and faster.  
With high speed our knowledge and technological abilities are increasing.

To keep up with this process and abilities and to use all this to benefit mankind, it is necessary that we humans achieve a higher level of consciousness.

But because of a lack of this consciousness all this great possibilities, new skills and knowledge is often used to destroy the planet, to destroy society and to destroy mankind.  
Physically and unfortunately spiritually too.

Now we are facing destruction.

The ones who will survive this destruction and become part of the new mankind, are those who raise their consciousness and achieve Christ Consciousness.

The Holy Mother is now here on earth to give birth to Christ Consciousness. She brings the illumination and enlightenment, that we can see ourselves in the light of God and that our Consciousness becomes enlightened.

Now mankind is at the beginning of a new age, in which everybody can achieve his full potential and live out his God given purpose. New possibilities and experiences are waiting for mankind and each of us.

The Holy Mother is enabling us to become part of this process, to achieve Christ Consciousness and to become a part of the new mankind.

## **The Holy Mother appeared on many locations on this planet and revealed step by step who she is and evolved continuously her mission.**

To do this the Holy Mother uses often Art, she introduced images and prayers to mankind. And also gave huge blessings with it.

A great and important example is the Miraculous Medal, also known as the Medal of the Immaculate Conception.

The design of this medal was originated by Saint Catherine Labouré following her vision of the Holy Mother in the year 1830 and made by goldsmith Adrien Vachette.

According to the account written by Catherine's own hand, Mary was clothed in a robe of auroral light and her robe had a high neck and plain sleeves.

The medal shows the Holy Mother standing on the earth. Revealing that the Holy Mother is here on earth.

The hands raised up to her waist, fingers giving off rays of light which enwrap the earth. Revealing that the Holy Mother is bringing illumination and enlightenment to earth.

And her feet are on the snake referring to the announcement in Book of Genesis.

And a frame slightly oval with golden letters saying, "O Mary! conceived without sin, pray for us who have recourse to thee!"

**This prayer that is given with this art is leading mankind to come to the Holy Mother to find refuge at her holy feet. The feet of the Holy Mother take control of our life energy and old nature. Surrendering to the holy feet of the Holy Mother destroys our ego that we can receive the light and blessings the Holy Mother is bringing us. And in this light we can see who we really are. It becomes our birth light. The Holy Mother is giving birth to our true self.**

The Holy Mother gave Saint Catherine Labouré the mission to spread this medal. And everybody who would wear this medal would receive great blessings.

Now many millions of this medal are spread world wide and because of so many miracles that happened this medal is known as the Miraculous Medal.

The prayer given with the medal also reveals more about who Mary was. The prayers words “conceived without sin” refer to the Immaculate Conception. Revealing that Mary was an incarnation of the divine Holy Mother.

A main part of this new consciousness about the Holy Mother then finally was declared as a dogma by Pope Pius IX on December 8, 1854

“We declare, pronounce and define that the doctrine which holds that the Blessed Virgin Mary, at the first instant of her conception, by a singular privilege and grace of the Omnipotent God, in virtue of the merits of Jesus Christ, the Saviour of mankind, was preserved immaculate from all stain of original sin, has been revealed by God, and therefore should firmly and constantly be believed by all the faithful.”  
— Pope Pius IX, Ineffabilis Deus, December 8, 1854

Now we celebrate the Feast of the Immaculate Conception on December 8

The next level of consciousness about the Holy Mother was reached on 1 November 1950 when Pope Pius XII declared the Assumption of Mary as a dogma:

“By the authority of our Lord Jesus Christ, of the Blessed Apostles Peter and Paul, and by our own authority, we pronounce, declare, and define it to be a divinely revealed dogma: that the Immaculate Mother of God, the ever Virgin Mary, having completed the course of her earthly life, was assumed body and soul into heavenly glory.”

Step by step the consciousness about the Holy Mother raised and our understanding evolved and has been declared and manifested in dogmas:

Mother of God  
Perpetual Virginity  
Immaculate Conception  
Assumption

Now we are about to reach the next level of understanding who the Holy Mother is and to reach the last and final dogma.

To prepare this the Holy Mother appeared in Amsterdam from 1945 till 1959.

She appeared under the title “Lady of all Nations” and gave messages through the seer Ida Peerdeman.

Again she used Art and a prayer to bring mankind to the next level of Consciousness. The painting was produced in 1951 by German artist Heinrich Repke at the direction of the visionary.

And the cover painting of the Lady of all Nations was produced by Kristy Kilpatrick

## The Lady of all Nations

**"Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth.**

**Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war.**

**May the Lady of All Nations, who once was Mary, be our Advocate. Amen."**

The picture is the continuation of the picture of the Miraculous Medal.

**The feet of the Holy Mother are on top of the earth revealing that She reigns over the earth now. Everything is under her Holy Feet. The sheep beside planet earth represent those who are completely surrendered to the Holy Mother and received their true identity after Her Holy Feet destroyed the ego the old fleshly false identity. Those who resorted to Her are now save. They leave earth ready to enter the new earth and to become part of the new mankind.**

The prayer asks "Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth." and the picture shows how this spirit comes into the world through the Holy Mother who is giving birth to Christ Consciousness.

With the power of the cross She brings salvation and liberation.

The Holy Mother came to earth to give birth to Jesus.  
And now she is here to give birth to Christ Consciousness.

She is standing in front of the cross as the Mediatrix and Co-Redemtrix  
She gave birth to the new Adam and to the new mankind.

This part of the prayer "**May the Lady of All Nations, who once was Mary**" reveals the most information about the Holy Mother and is necessary to be manifested in the Consciousness of mankind to reach the next Consciousness level.

The Holy Mother gave this prayer on February 11, 1951 in Germany.  
And She ordered that this prayer has to be spread and that everything has to be explained to mankind.

On October 7th, 1996, Cardinal Bernardino Echeverria Ruiz gave a letter to Pope John Paul II; in which the cardinal, 39 other cardinals, as well as 366 bishops and archbishops and 4 million layman, asked for the declaration of the last dogma.

Although the authenticity of the messages were confirmed by the church, and although the Holy Mother pressed that these messages should be explained to mankind, the unbelievable happened:

The Congregation for the Doctrine of the Faith changed the text of the prayer of the "Woman of All Nations" in 2006. Instead of using the terms " Lady of All Nations, who once was Mary", they changed it to "Lady of All Nations, the Blessed Virgin Mary."

But the Holy Mother that is here on earth, now, is not Mary.

With this, The Congregations for the Doctrine of the Faith, opposes the Holy Mother and conceals the meaning of the revelation and denies all women the rightful place in the church.

The Holy Mother is here on earth to bring wonderful blessings to mankind and to lead mankind to the next level of realization: The Christ Consciousness.

But now mankind is not prepared!

The next level the great action and work that The Lady of all Nations announced that will happen, starts on November 20<sup>th</sup> 2016 !!!

Pope Francis announced the Extraordinary Jubilee of Mercy.

It was the 30<sup>th</sup> jubilee in the church history and started at the Feast of the Immaculate Conception on December 8, 2015 which is connected to the dogma and the Miraculous Medal.

And it ends at the Feast of Christ the King on November 20, 2016.

It is the Final Sunday of the Liturgical Calendar which is the the Sunday before the First Sunday of Advent. Which is the time where we wait for the arrival of Jesus.

This jubilee, is a period for remission of sins and universal pardon focusing particularly on God's forgiveness and mercy. Which is the key to our salvation.

In this time there was the spiritual preparation for the great work of the Holy Mother. From the feast day of her conception / incarnation to the day of Christ King where we celebrate the Christ Consciousness that will come and we are preparing for in the following advent.

So the November 20<sup>th</sup> 2016 is the end of the preparation and the beginning of the next level of Her mission where she gives birth to Christ Consciousness.

And also it is the birthday of the Holy Mother where she starts entering Her final stage of Her being and mission in our consciousness.

**The Holy Mother is sending me to explain to mankind what she already ordered to be explained since 1951.**

**And to reveal the next level of knowledge by giving Art and a prayer to mankind again. And with this Art is coming amazing blessings again.**

**And now all that what is revealed is coming to action and available to everybody.**

# HOLY MOTHER

"Then God said, "Let US make mankind in our image, ...."

So God created mankind in his own image, in the image of God he created them; male and female he created them. God blessed them and said to them, "Be fruitful and increase in number; fill the earth and subdue it."

Genesis 1,26-28

God manifested in this world as the TRINITY.

And in creation the Family is created in the image of God the trinity: Father, Mother and children.

There is God the Father the male part of the trinity.

And in the creation there is the male part the Father created in Adam.

And from Adam was taken Eve the female part the Mother.

This is in the creation the image for God the Father from whom came the Holy Ghost who is God the Mother.

And God the Child incarnated as Jesus into the world.

And to give birth to Jesus who is God the Son,  
the Holy Ghost who is God the Mother incarnated in Mary.

"The Holy Spirit will come on you, and the power of the Most High will overshadow you. So the holy one to be born will be called the Son of God."

Luke 1,35

As it is stated in the Apostles' Creed which was given to us under the inspiration of the Holy Spirit by the Apostles: Jesus "was conceived by the Holy Spirit, born of the Virgin Mary"

The female part of the Trinity is the Holy Ghost,  
who is God the Mother, incarnated on earth and was Mary.  
Holy Mother once was Mary!

And since Mary was an incarnation of the Holy Ghost, now one can understand that Mary came into existence through an immaculate conception and that the Holy Mother in the apparition said that She is the immaculate conception Herself the same time.

Holy Mary was taken to heaven and the Holy Ghost, the Holy Mother disconnected from her human vessel and is not Mary anymore.

She is our Holy Mother. The Lady of all Nations. The Mother of all Nations.

1951 The Holy Mother gave us her prayer and ordered that it has to be spread and explained. And if her order would have been obeyed, then by now the understanding and the consciousness for this truth would have been achieved. And with this consciousness it would be understood that She is Mediatrix and Co-Redemtrix since She is the Holy Ghost Herself. And this would be the final Marian Dogma as the Holy Mother said since we achieved a higher consciousness and understand that the Holy Mother once was Mary and now She is the Holy Mother.

But unfortunately the prayer that was given by the Holy Mother has been changed, its meaning was not explained and the dogma was not proclaimed. So mankind is not good prepared for the great action and mission that is starting now.

# THE MISSION OF THE HOLY MOTHER

When the Son of God incarnated as Jesus on earth, He installed his priesthood.

Jesus planted his seed into the apostolic succession. A priest is growing into a tree that is bringing fruit and planting seeds.

The apostolic succession is the unbroken chain of consecrations with laying hands on. Jesus Christ did consecrate the apostles that consecrated bishops that consecrated bishops that consecrated bishops that consecrated bishops .....

This is the priesthood that is representing Jesus and bringing the gifts (sacraments) to mankind.

And now the Holy Mother is planting Her seeds who will represent in the same way the Holy Mother.

“And hast made us unto our God kings and priests: and we shall reign on the earth.”  
Revelation 5,10

Jesus has two aspects: the lamb and the lion, He is the High Priest and the King. When Jesus came to earth he came in the lamb aspect creating His priesthood. When He comes again He will come in the lion aspect as King. So in this time period now the male part established in the apostolic succession is representing the priesthood.

The Holy Mother is here now in the royal aspect. The Holy Mother is the High Queen with earth and mankind under her feet. In this time period the Holy Mother reigns on earth. The female part is royal. So the seed of the Holy Mother is royal and She is installing Her royal representatives.

Women are called to represent the Holy Mother.  
To be the seed of the Holy Mother, to bring Her gifts to mankind.

The same way The Holy Ghost came from the Father and Eve came from Adam, the female royal line has to come out of the male apostolic succession.

This is why the Holy Mother gave me the mission and authority to give royal consecration to the women which the Holy Mother is calling to become part of this royal line to represent Her.

Women all around the world will receive the calling from the Holy Mother to become royal and to represent Her.  
Many women will experience miracles with their calling.

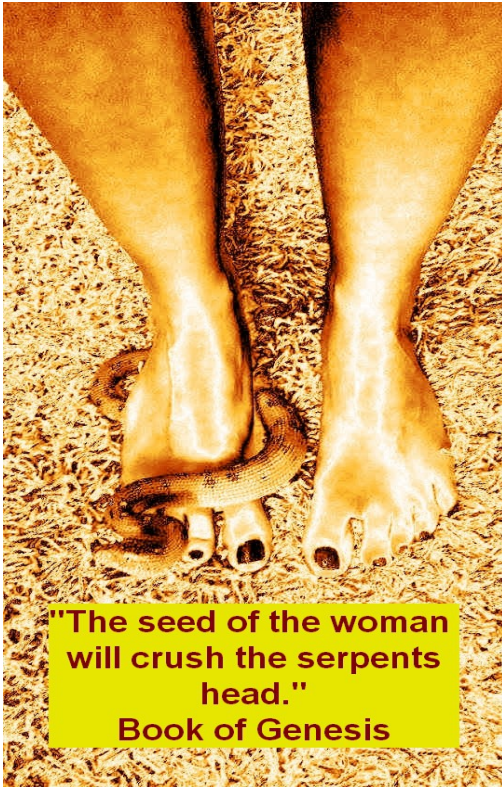

They will come to me from all over the world and I will consecrate them as Queens.  
This Queens will bring the gifts of the Holy Mother to mankind.

## The Queens bring the gifts of the Holy Mother to mankind

The Holy Mother is here to give birth to Christ Consciousness.  
The Holy Mother is bringing the Holy Light for the illumination and enlightenment.

The Holy Mother will free us from our false identity  
and give us birth into our real identity in Christ Consciousness.

**"The seed of the woman  
will crush the serpents  
head."  
Book of Genesis**

We are called to come to the Holy Mother to find refuge at her holy feet.

The feet of the Holy Mother take control of our life energy and old nature. This is our ego, the false identity that we created ourselves.

Surrendering to the holy feet of the Holy Mother destroys our ego that we can receive the light and blessings the Holy Mother is bringing us.

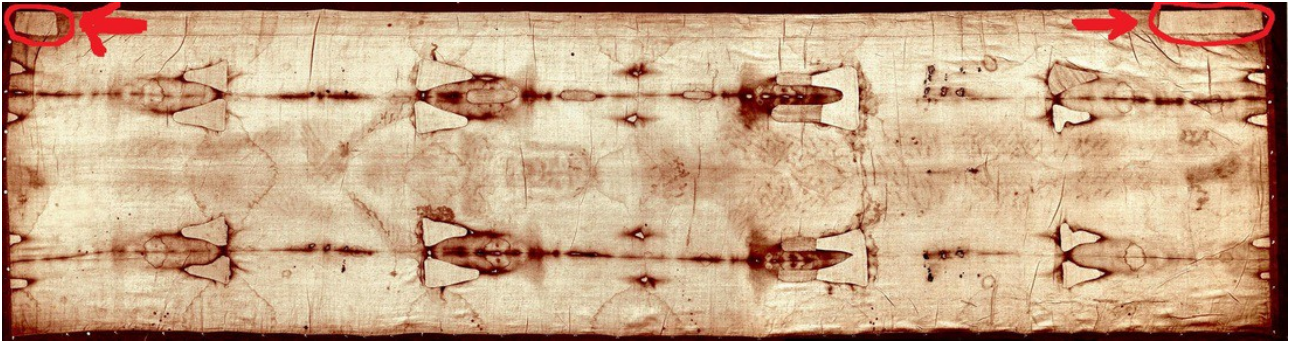

And in this light we can see who we really are. It becomes our birth light. The Holy Mother is giving birth to our true self.

We enter Christ Consciousness and become part of the new mankind.

## ART AND PRAYER

To help mankind to understand all this and to achieve this level of consciousness the Holy Mother is using again art and a prayer.

1008 women will receive a real part of the Shroud of Turin.

The Shroud of Turin is radiating a very special energy.

It is the shroud in which Jesus Christ was wrapped in the tomb when he resurrected from death.

There has been a lot of scientific researches and till today science is not able to explain how the picture of Jesus occurred on the shroud. And with all the technology we have available today it is still impossible for us to create an image like this.

The image was created by an energy that is still not understood by science but mentioned in the bible:

Jesus is the light of the world and radiates the light of life:

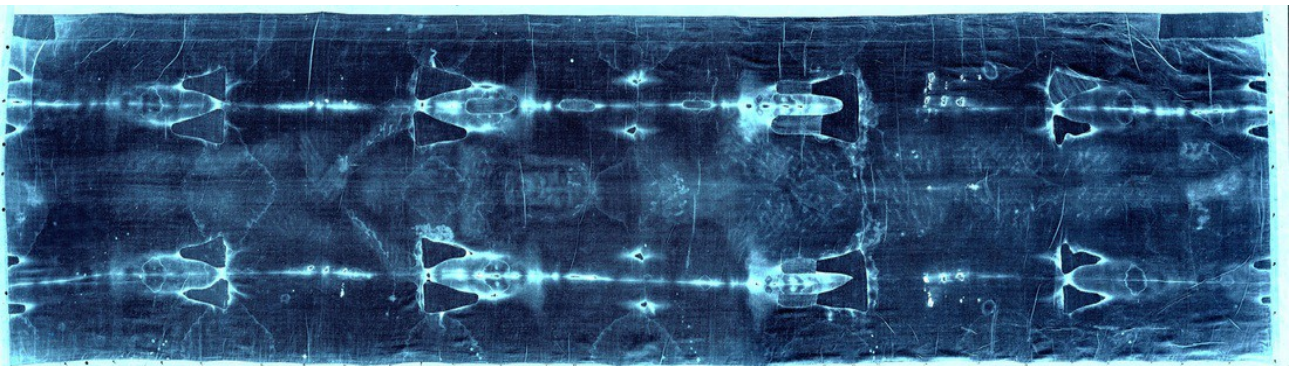

"When Jesus spoke again to the people, he said, "I am the light of the world.

Whoever follows me will never walk in darkness, but will have the light of life." "

John 8,12

This light of life is real. When Jesus resurrected, this most powerful light radiated from his body and created an amazing image of him on his burial cloth.

Jesus entire body can be seen best with a negative of the the picture of the shroud.

Every piece of the Shroud is radiating this powerful energy. Everybody who is coming into the presence of the women that carry the part of the Shroud of Turin can receive the blessing.

This is how mankind can experience and understand how the Queens bring the Holy Light and blessing to mankind.

**And I will create an artwork with the feet of each of this women.**

**And I will integrate a real part of the Shroud of Turin in each of this artworks.**

**The word incarnated on earth in Jesus and became the Light of the world.  
The Holy Mother gave birth to this light that is the way to God.**

**"Your word is a lamp for my feet, a light on my path."  
Psalm 119,105**

We first have to be freed by the holy feet that crush the head of the snake then we are open to receive the divine light which will enlighten us and lead us into Christ Consciousness.

We can experience and receive this blessings through this artworks that contain a real part of the Shroud of Turin which is radiating the light of life.  
And they help mankind achieve more understanding.

While in the other apparitions there has been given one artwork to bless and teach mankind, now many artworks will be given to mankind to support the understanding that the Holy Mother is working through the Queens, the royal line, to bring the blessings to mankind.

And this artworks are created through me to make understandable how the royal line is coming out of the apostolic succession. And how I consecrate the royal line.

**We are called to make the artworks with the real parts of the Shroud of Turin available to mankind that they can receive this blessings.**

**And also to spread this picture:**

This picture makes amazing blessings available for you.  
Come to the holy feet of the Holy Mother and experience her love.

Carry this picture with you and find refuge and rest at her feet whenever you need.  
Experience they joy and the bliss the Holy Mother wants to give you.  
Bring your problems and sorrows and the Holy Mother will crush them.  
Surrender to Her holy feet to overcome yourself and to be freed.

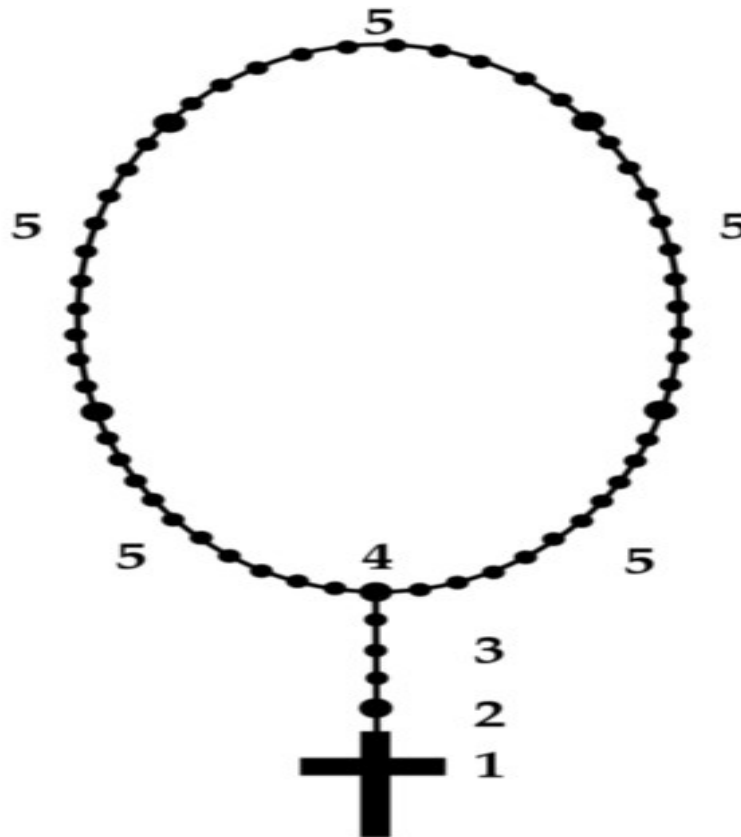

Kiss the feet of the Holy Mother and let Her fill you with her love and joy.

Spread this picture and give it to everybody who needs help  
and to everybody who you want to experience the love of the Holy Mother.

This picture is a wonderful gift to mankind.
